Please provide us with the following information (*the information will be treated confidentially*):

If you apply for a licence A:

- On which network points (entry/exit) will you book and nominate capacity?
- What will be the maximum capacity amount you will book/nominate?
- Which party/parties will be your counterpart?
- Will you trade on TTF via an Exchange?

If you apply for a Licence B:

- On which network points (entry/exit) will you book and nominate capacity?
- What will be the maximum capacity amount you will book/nominate?
- Which party/parties will be your counterpart?
- On which LDC network points will you be active?
- Which supplier(s) will be your customer(s)?
- Will you trade on TTF via an exchange?

If you apply for a licence C:

- What will be the maximum capacity amount you will nominate?
- Which party/parties will be your counterpart?
- Will you trade on TTF via an exchange?

An external screening may be part of the licensing procedure.

Please enclose the following documents:
